The Newsletter for Human Resource Professionals

There have never been more perplexing issues confronting human resource managers — pay equity, sexual harassment charges, alternative work arrangements, AIDS in the workplace, affirmative action, child care benefits — all demand your attention and affect your company's bottom line.

To prepare for these issues you need to have a clear picture of the future. **The Equal Times** newsletter — written by and for human resource professionals — analyses the issues that affect you and prepares you for the complexities of regulatory requirements, employee needs and corporate objectives.

PROVEN EXPERTISE

The executive editor of **The Equal Times** is Lynne Sullivan, a principal with William M. Mercer Limited and a leader of Mercer's human rights and employment equity consulting practice in Canada.
