Aythya m. marila (L)	"	"	✓
Aythya m. nyroca (Gild)	"	"	✓
Melanitta f.fusca (L)	"	"	✓
Melanitta n.nigra (L)	"	"	✓

For further exchange I can secure specimens of Western Harlequin Duck, Surf Birds, Aleutian and other local Sandpipers, Red-breasted Merganser, Ancient Murrelets, Marbled Murrelets and Black Turnstones, if you are interested.

I noticed your name in the list of visitors to the Swedish Ornithological Conference last summer and I hope you had a very enjoyable time.

Have planned a collecting trip in late April and May next and will fly to the north end of Vancouver Island and will work that part of the Island. I went up there last October and spent five delightful and successful weeks.

With kindest regards to both David and yourself,

Sincerely yours,

Kenneth Racey
