Dear Mr. Racey,

Many thanks for your letter of 13th March. I will, during the next few days look out for you a pair each of Greater Spotted Woodpeckers, and Lesser Spotted Woodpeckers, and would be very glad to have, in exchange, the pair of adult Bonaparte Gulls and a pair of Sitka Cross-Bills.

I am presently sorting out a number of duplicates and in due course will send you a list in case there is anything amongst them which you might care to have.

If I have not got a spare Rook I will certainly obtain one for you as they are, of course, very common here, but many thanks, I do not want a North Western Crow.

To the best of my knowledge, and belief, there are no collectors in the Channel Islands but when I am next up at the Museum, I will be tomorrow, I will find out from them if there is anyone there with whom I can put you in touch.

David sends his best wishes.

Kind regards,

Yours very sincerely,
