Dear Mr Racey,

I am sending you tomorrow or Monday aparcel containing two each of the Great Spotted Woodpecker, and Lesser Spotted Woodpecker, and hope that you will like them.

I am glad that you have been able to get some of your other desiderata which I have been unable to supply. Do you want any more Tyto alba alba, I have some skins to spare.

I may also possibly have some spares of the Anatidae, and should you want any perhaps you will advise me. I also have a Sula bassana in excess of my present needs, would you be interested?

I have here a specimen of <u>Tetrao urogallus</u>, ad.o., from Scotland. As you no doubt know this species was reintroduced from Scandinavia. Are you wanting this species atall?

Please excuse more just now,

with kind regatds,

Yours very sincerely,

Kenneth Racey Esq.
