SEVENOAKS, Kent.

Dear Mr Racey,

Thank you for your letter, I shall look brward to receiving the two Gull skins and the Crossbills.

April II. 50.

with reference to your further requests, I will shortly send you a nice ad drake Teal, and will also look out a Brent Goose. We usually get the dark-breasted bird here, and up to now I have only managed to get one of the light-breasted up to now I have only managed to get one of the light-breasted up to now I have only managed to get one of the light-breasted up to now I have only managed to get one of the light-breasted up to now I have any u. Lesser White-front, Red-breasted are very difficult to come by. I will send you the & & Tufted Duck, have no Red-crested Pochards, and Garganey amealso a bit difficult, particularly in summer dress, i.e. in full plumage during the close season.

I will see if I can find you anadult & Smew, these are scarce, and not easily got, and the Ferruginous a rare duck here.

I would much-like an adult o and a Hooded Merganser when you can manage them.

Do you not want the Rook, I prepared a nice shult female only the other day for you. You can certainly have it interested.

I will send you later on a revised list of the duplicate skins here, as I anticipate receiving a collection which may contain specimens I shall not require.

David sends kind regards, and hope you are well, as I

Yours very sincerely,
