

1980 Regina, First year in Canada      2011 , Abbotsford, B.C.

*This book is dedicated to our wonderful dad, Doanh Nguyen. This was a labour of love that showcases our lives throughout the years but could never fully illustrate the amount of sacrifice, effort, and unconditional love he has given to his family. Although we could never fully repay all that you have given to us, we strive to be able to take the important lessons and wisdom you imparted on us and pass them onto our own children.*

*We love you, Dad!*
